**THE GLOBAL NET IS FORMING**

Nigeria witnessed the Prophetic Birthing of Kingdom Impact Vision International (KIVI) in a suburb of the City of Lagos called Ajangbadi. In attendance were current executive council members of KIVI Nigeria who were invited by the Global Team Leader Evangelist Junior Nwaubani. The brethren having had discussions and series of meetings overtime on what has been going on in the church in the last ten to fifteen years all unanimously agreed that the crises we see in the world today provides a new wave of opportunity for global evangelism and they are convinced to give whatever support they can to the KIVI Global Team leader Evangelist Junior Nwaubani to actualize the vision. Mat 24:4-14 became the foundational scripture for implementing the KIVI mandate. And Jesus answered and said to them: "Take heed that no one deceives you. (7) "For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. (8) "All these are the beginning of sorrows. (9) "Then they will deliver you up to tribulation and kill you, and you will be hated by all nations for My name's sake. (10) "And then many will be offended, will betray one another, and will hate one another. (11) "Then many false prophets will rise up and deceive many. (12) "And because lawlessness will abound, the love of many will grow cold. (13) "But he who endures to the end shall be saved. (14) "And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come.

Once the mandate became very clear, it became apparent that KIVI needs an operational strategy that is grounded in Kingdom principles to drive the initiative and going by the non-collaborative and denominational posture of the church in Nigeria the executives adopted the Kingdom principles of networking as the means for working with Churches and Para Church organizations, after all the bible says the Kingdom of God is like a NET

(Mathew 13; 47)

Networking allows joining of graces for effective kingdom evangelism beyond personalized callings into the frontiers of nations and the Global harvest .

**KIVI as a KINGDOM**

**NETWORK** is opposed to values which promotes hierarchy or denominational spirit. Servant leadership, diversity of ministry gifts, equality and been joined together in a Kingdom oriented vision is our core values. Jeremiah 51:31 One runner will run to meet another (Synergy), And one messenger to meet another, (Network) to show the king of Babylon (the strong man behind religion) that his city is taken on all sides

KIVI is open to all Christians and current membership includes Missionaries, Pastors, Apostles, Teachers, Evangelist and Prophets who are bound together in a voluntary relationship and mutual accountability. Leveraging each other's ability and strength KIVI is called to advance the Gospel of the Kingdom through evangelism, leadership training and conferences.
